THE HON'BLE SRI JUSTICE GODA RAGHURAM

W.P.No. 24223 of 2006

Oral order:

The writ petition is misconceived. The petitioner seeks a direction to the respondents "to receive the examination fee from the petitioner for the 4th year 1st Semester examination and allow her to write remaining written examinations and pass such other order or orders as this Hon'ble Court may deem fit and proper in the circumstances of the case". Admittedly and for reasons beyond the petitioner's control, the petitioner suffered a shortage of attendance in the IV-year of B. Tech course, which she is pursuing in the Balaji Institute of Technology and Sciences, Laknepally, Narsampet during the current academic session. The petitioner states that she could not attend the classes from 16-07-2006 to 15-09-2006 on account of viral affliction. The fact of the matter is that on the petitioner's enquiries, the second respondent-University informed her that she should have minimum 65% attendance, but she does not have such attendance. The petitioner admits to have an attendance of only 25%. Neither in the pleadings nor in the oral assertions made before this court, it is brought to the notice of this court, that the respondents have any power to condone a shortage of 75% attendance or a shortfall below 65% of attendance.

In the circumstances, the state of pleadings and oral submissions, there is no legal basis for the relief claimed. The writ petition is accordingly dismissed, at the stage of admission, after hearing the learned standing

counsel for the second respondent-University.
